

# project eve

inspiring women reinventing their careers

This Fall, Project Eve is partnering with [Accion East and Online Women's Program](#) to offer our community an exciting way to support and shop women-owned business with its SHOP THE MOVEMENT. From November 12 through December 9, Project Eve will host an online shopping event called "Shop the Movement" where women-owned companies will sell their goods and services to the over 1 million members of the Project Eve community. All Shop the Movement participants have pledged 5% of their profits from the SHOP THE MOVEMENT campaign towards this worthy cause.

Robin Ball Designs is a proud participant of "[Shop the Movement](#)."

Robin Ball Designs, a woman-owned business, creates hand drawn, whimsical images and produces them on paper products, home décor, baby items, and gifts. The handmade creations offer function and fancy for you or as a heartfelt gift for someone special in your life. All items are made with love in the USA. Visit our blog for inspiration, encouragement and entertainment. We are proud to participate in "Shop the Movement" and donate 5% of our sales to the Accion East and Online Women's Program. Thank you for shopping with us.
